Neighbors,

Please join the office of Councilmember Mitch O'Farrell and the Bureau of Street Services for a meeting regarding the **Hollywood Transit Crossroads Project, Phase I and Phase II.**

This project aims to make transit- and pedestrian-related improvements in Hollywood, in two phases:

- **Highland Avenue (b/w Franklin and Sunset) and Vine Street (b/w Sunset and Fountain)**
- **Sunset Boulevard (b/w Highland and Vine)**

The improvements include sidewalk repair, crosswalks, tree trimming, lighting, etc. We held a community meeting last summer to discuss the Highland & Vine portions of the project;

The meeting will be held at the **Fire Station 82 Annex** community room, 1800 N. Bronson Avenue (b/w Hollywood and Franklin), on **Wednesday, March 23, 2016 at 6:30 PM.** The meeting will last approximately one hour. A flyer is attached.

Please feel free to join us, and share this information with your neighbors as well. We look forward to seeing you there. The meeting is open to the public; however, if possible, **please let me know if you will be joining us**, so we know approximately how many chairs to set up. Thanks! :)

Best Regards,

Dan Halden
